New for 2027

Pharmacy coverage through Optum Rx

Beginning January 1, 2027, Taylor's pharmacy benefits will be administered by Optum Rx. Members will continue to have access to comprehensive prescription drug coverage, including retail and mail-order pharmacy services. The transition is expected to result in minimal disruption for most members, and additional communications will be provided to support a smooth changeover and highlight any important updates.

Visit optumrx.com to learn more.

Digestive health support through Cylinder

Cylinder is a digestive health benefit that provides personalized support for gut and gastrointestinal (GI) health at no cost to you. Employees and eligible dependents enrolled in UHC or Surest plans have access to expert care for concerns such as bloating, acid reflux (GERD), constipation, diarrhea, IBS, Crohn's disease, ulcerative colitis, celiac disease, and other digestive health issues. Through virtual appointments, health coaching, nutrition support, and personalized care plans, Cylinder helps you improve your digestive health and overall wellbeing.

Visit cylinderhealth.com to learn more.

Surest copays updated for 2027

With the Surest plans, copays are designed to be transparent and flexible — but they can vary from year to year. This is because copays are based on factors like the provider you choose, the location of care, and the type of service. Each year, Surest reviews provider networks and service costs, which can lead to updates in copay amounts.

You can always check your exact copay in advance using the Surest app or website — so there are no surprises when you get care.

LTD buy-up

Beginning in 2027, Taylor is offering the option to purchase additional long-term disability coverage for greater income protection.

Surgical centers of excellence through Lantern

Lantern is a healthcare navigation benefit that helps you find high-quality providers and centers of excellence for planned medical care. Employees and eligible dependents enrolled in UHC or Surest plans can receive support identifying top-performing doctors, specialists, and facilities for procedures such as orthopedic surgery, cancer care, gastrointestinal care, and other complex medical treatments. Lantern's care team helps guide you through the process, making it easier to access high-quality care and potentially lower out-of-pocket costs.

Visit lanterncare.com to learn more.

To prepare for services call 855.360.1270 or login at mysurgery.lanterncare.com.

Legal support through LegalEASE

LegalEASE is a new voluntary legal benefit that provides employees and their families access to a nationwide network of experienced attorneys for common legal matters such as estate planning, family law, real estate transactions, and consumer issues. By helping employees obtain quality legal support at a predictable cost, LegalEASE can reduce financial stress, improve peace of mind, and provide valuable assistance during some of life's most important events.

Identity theft protection through AIP

Allstate Identity Protection (AIP) is a new voluntary benefit that helps protect employees and their families from identity theft, fraud, and cyber threats. The program provides proactive monitoring, alerts for suspicious activity, and access to identity restoration specialists who can help resolve issues if fraud occurs. By offering financial and personal information protection, AIP helps provide peace of mind and support in an increasingly digital world.

Enrolling in benefits

Open enrollment

Open enrollment is your opportunity to elect your coverage options for the new year. This year, open enrollment is October 26 through November 16.

New hires

If you're new to Taylor, you have 30 days from your hire date to enroll in benefits. Your date of hire counts as day one.

Next steps

- Log in to myworkday.com/taylor or use the Workday app to locate your benefit task in your inbox.
- Instructions are provided for you at each step along the way.
- Be prepared with the names, dates of birth and Social Security numbers of the dependents you will be covering.

What happens if I don't enroll by the deadline?

The table below includes information on what plan elections will carry forward into 2027 if you do not submit your open enrollment elections by November 16.

*401(k) elections can be updated by visiting netbenefits.com. You will be prompted to update your 401(k) ICP election during open enrollment.

Independent elections

You have the flexibility to enroll in the benefits you need. You are not required to enroll in medical to have dental or vision coverage.

Here are some terms you'll see in this guide:

COINSURANCE: The percentage you pay for the cost of covered services after you meet your deductible.

COPAY: A fixed amount you pay for a specific service. The copay can vary depending upon provider and type of service received. Copays count toward your annual out-of-pocket maximum.

DEDUCTIBLE: The amount you pay for healthcare services before your plan begins to pay.

IN-NETWORK: A group of doctors, clinics, hospitals and other healthcare providers that have an agreement with your medical plan provider. You'll pay less when you use in-network providers.

OUT-OF-POCKET MAXIMUM: This is the most you must pay for covered services in a plan year. After meeting your out-of-pocket maximum, the plan pays 100% of the cost of covered services. However, you must pay for certain out-of-network charges above reasonable and customary amounts.

PREVENTIVE SERVICES: Taylor provides certain preventive services at no cost to all members. These services include:

- Medicine and supplements to prevent certain health conditions for adults, women and children
- Medicine and products for quitting smoking or chewing tobacco (tobacco cessation)
- Medicine used prior to screenings for certain health conditions in adults
- Vaccines and immunizations to prevent certain illnesses in infants, children and adults
- Contraceptives for women

Surest | Prospective & current members: surest.care/taylor | 888.299.2070

UnitedHealthcare (UHC) is an innovative medical plan provider who has committed to being a strategic partner for Taylor and our employees.

With UHC, Taylor employees and their dependents will have access to services and resources such as:

- Nurses and advocates
- Advocates who specialize in resolving complex claim issues and other challenges in real time
- Behavioral Health specialists who can connect members to mental health programs and providers
- Care coordination

The Surest plans are one of UHC's innovative offerings providing you with actual copay amounts before you book your appointment. When providers or locations are evaluated as high-value, Surest assigns a lower copay.

Surest assigns copays based on several factors. Providers and locations who achieve better patient health outcomes, have lower rates of complications, and use resources more efficiently typically have lower copays. The copays for individual providers have the potential to change each year as they are continuously evaluated based on this criteria. More information on provider copay changes for 2027 can be found [here](#).

After completing your enrollment in a medical plan, ID cards will be mailed to your home address from UHC or Surest and also Lantern for coverage. Your UHC or Surest card will work for medical and pharmacy coverage.

Illustrative example only. Costs and coverage may vary.

Virtual care made simple:

Get care when and where you need it — no waiting rooms required.

Our plans offer access to a wide range of telehealth services including:

- Primary care providers
- Mental health professionals
- Pediatricians
- Specialists for chronic condition management
- Prescription support and follow-up care

With over 1.7 million providers and 5,000+ hospitals nationwide, you can search, compare, and choose the right virtual care option — the Surest plans have upfront pricing and no deductibles.

Need parenting advice at 2 a.m.? Postpartum support? A pediatrician on speed dial?

Maven's got you. This virtual care platform connects you with real experts — on your schedule, at no cost to you.

Supplemental health benefits

REMINDER: Supplemental health benefits are only available if you are enrolled in the Surest Plan or the HSA Plan (not the Plus plans).

UnitedHealthcare | Current members: myuhc.com | 888.299.2070

Accident insurance

What is it?

If you enroll in either the Surest Plan or the HSA Plan, you will be automatically enrolled in this benefit. These benefits are included in your medical plan. With accident insurance, you will receive a cash benefit for each covered injury and related services for accidents that occur outside of work.

This includes:

- X-rays and diagnostic exams
- Initial treatment and follow-up physician visits
- Ambulance
- Fractures and dislocations
- Concussions
- Recovery services

Benefit payment varies based on type and severity of accident.

Why may one need it?

Out-of-pocket expenses add up quickly, especially since major medical insurance may only pick up part of the tab. It helps ease the unplanned financial burden of an accident and is especially useful for parents of young children and people who are active.

Hospital indemnity

What is it?

If you enroll in either the Surest Plan or the HSA Plan, you will be automatically enrolled in this benefit. These benefits are included in your medical plan. Hospital indemnity insurance provides a cash benefit in the event of a hospital stay for a covered illness and/or injury, including pregnancy. You and your covered dependents are paid out on a schedule of benefits and pre-existing conditions are waived. You can use the payment in any way you choose from medical expenses like deductibles, to everyday costs like housekeeping and childcare.

Benefits pay for hospital care, including:

- \$500 hospital admission (up to three days per year)
- \$100 daily confinement benefit (up to 59 days per year)
- \$100 daily ICU confinement benefit (up to 59 days per year)

Why may one need it?

It's unlikely that your medical plan will cover all the costs incurred by a hospital stay. Aside from hospital bills, there may be additional costs attached to time away from home, like meals, travel and lodging expenses for loved ones. That's where hospital indemnity insurance can help. It can give you the peace of mind to focus on what's most important — getting better.

Kaiser — California plan

Kaiser Permanente | kp.org | 800.464.4000

Taylor is pleased to offer employees living in California the choice to enroll in the HMO (Health Maintenance Organization) plan with Kaiser Permanente. There are a few important considerations to make before you decide if the Kaiser plan is right for you.

Copayments

- Most services include copayments, except for routine and preventive care which are offered at no charge. All copayments apply to the out-of-pocket maximum.

Coinsurance

- While most services include copayments, there are a few services that now require 30% coinsurance payment. These include specialty drugs, emergency room, inpatient hospital care and outpatient care.

No out-of-network coverage

- This plan only includes coverage with Kaiser providers.

Employee + spouse	\$694.86	\$341.14
Family	\$873.54	\$452.52

Employees may elect Kaiser without enrolling in the dental or vision plan.

Registered domestic partners

Registered domestic partners may be enrolled in the Kaiser Plan and you will be required to provide documentation prior to January 1.

In accordance with current tax regulation, if your registered domestic partner is not a tax dependent for you, there will be taxable income reported on your W2.

One pass select affinity fitness plan

- 5 membership tiers with different monthly fees
- 19,000+ gym locations and boutique studios
- 24,000+ on-demand and livestreamed classes
- Digital tools to track progress and an AI workout builder
- 10% off memberships for family and friends
- No long-term contracts — change tiers monthly or cancel within 30 days
- Groceries and household essentials delivered with Walmart+ and Shipt

Pharmacy

Optum Rx | myuhc.com | See your member ID card for contact information

Prescription drug coverage for all plans (except Kaiser) will now be provided through Optum Rx.

The plan classifies drugs by four levels; generic, preferred brand, non-preferred brand and specialty. Each level of drug has a different cost. Generic medications are the lowest cost options. See medical and prescription drug plan summary pages for details on coverage.

Save with home delivery

For long-term medications, you may choose to fill prescriptions through Optum Home Delivery Pharmacy or at a participating retail pharmacy.

With home delivery, your medications are delivered directly to your home and you can:

- Receive up to a three-month supply of medication.
- Enjoy 24/7 pharmacist support.
- Skip trips to the pharmacy.
- Take advantage of automatic refill options for eligible medications.

To get started, visit myuhc.com, ask your doctor to send an electronic prescription to Optum Home Delivery, or call the number on your member ID card.

Broad pharmacy network

Access to a nationwide network of more than 67,000 participating pharmacies, including major retail chains, grocery stores, and many independent pharmacies. Use the pharmacy locator tool to find an in-network pharmacy near you.

Specialty pharmacy support

Members taking specialty medications have access to Optum Specialty Pharmacy, which provides medication delivery, refill reminders, personalized clinical support, and assistance with treatment management. For specialty pharmacy assistance, call 855.427.4682.

Additional medical benefits

Health savings account (HSA)

Fidelity | netbenefits.com | 800.835.5095

One of the advantages of having an HSA account is that you can use those funds as a retirement account. You will see your HSA account alongside your 401(k) account making it easier to track your consolidated savings.

If you are enrolled in either the HSA Plus or HSA medical plan, this program applies to you.

The account is YOURS

It is an individual account that you own. Funds can be used to pay for out-of-pocket medical, dental and vision expenses that are not covered by your HSA medical plan.

You receive a triple tax advantage with an HSA

- Contributions are made pre-tax.
- Funds used to pay medical expenses are not taxed.
- Account balances may be invested and earnings/interest grow tax free.

You decide:

- How much to contribute (up to the IRS limits).
- When to use the funds.
- How to invest your account balance.

Employer contributions

Taylor will continue to contribute \$5.77 bi-weekly, up to \$150 per year, to the health savings accounts of all employees who are enrolled in either the HSA Plus or HSA plans and contribute to their HSA.

Your balance carries over at the end of the year — no “use it or lose it.”

Once you reach age 65, you may use funds in the account for non-medical expenses (subject to income tax since they are not medical expenses).

You are eligible to contribute to an HSA in 2027 if:

- You are enrolled in a high-deductible health plan (HDHP) such as the HSA Plus or HSA plan.
- You are not covered by your spouse's medical plan (unless it is a qualified HDHP), flexible spending account (FSA) or health reimbursement account (HRA).
- You are not eligible to be claimed as a dependent on someone else's tax return.
- You are not enrolled in Medicare, TRICARE or TRICARE for Life.
- You have not received Veterans Administration (VA) benefits in the past three months, with the exception that if you are a veteran with a disability rating from the VA, any hospital care and/or medical services received from the VA may be disregarded for purposes of HSA eligibility.
- You are not opening a healthcare flexible spending account (FSA) in 2027.

IMPORTANT! How much you can contribute into an HSA in 2027

Age bracket	Employee maximum contribution	Taylor contribution*	IRS combined limit
Under age 55 in 2027	\$4,350 individual or \$8,850 family	\$150.00	\$4,500 individual or \$9,000 family
55 or older in 2027 catch-up eligible	\$5,350 individual or \$9,850 family	\$150.00	\$5,500 individual or \$10,000 family

*Taylor will contribute to your HSA only if you elect to contribute to your HSA.

How to access/make contributions to your HSA

Once your Fidelity account is open, you can access it via netbenefits.com. You'll set up your payroll contributions in Workday and may change your contribution anytime during the year.

More details about health savings accounts

The company pays the monthly administrative fee for your HSA. If your coverage status or employment status changes, you will be responsible for all HSA account holder fees.

If you decide to contribute to your health savings account, you will see two separate pre-tax deductions on your payroll: one for your medical plan premium and one for your contribution to your HSA.

How to pay expenses from your HSA

Debit card

- To help prevent misuse of HSA funds, the debit card is only authorized at merchants that provide medical products and services.

Online transfers (through member website)

- Establish and verify external bank account
- One-time or recurring transfers (both incoming and outgoing transfer options)

Wellness

Wellworks For You | wellworksforyoulogin.com | 800.425.4657

We all know how important it is to proactively manage your and your family's health. We are committed to helping you achieve optimal health — encouraging you to be active, live a healthy lifestyle and make good health decisions. Our plans reward healthy behaviors with discounts on your medical premiums.

When you (and your spouse) enroll in a medical plan, you have the opportunity to earn discounts on your premiums based on your individual wellness screening. During 2027, you can earn up to \$1,200 in savings for your 2028 premiums, and your spouse can also earn up to \$1,200, depending on the results of your respective screenings or completion of an alternative standard. Discounts to premiums for wellness do not carry over from a prior year.

For example — here is how you can earn up to \$1,200 annually in incentives

- Completing the physician form: \$200

AND

- Reaching three of five biometric markers: \$600
- Reaching four of five biometric markers: \$800
- Reaching five of five biometric markers: \$1,000

If you don't reach those markers, you are able to engage with Lockton Nurse Advocate to work on biometric improvement and complete goals as an alternative standard.

To view information about 2027 wellness-related premium discounts, please visit Your Benefits Hub.

If you would like to schedule a meeting with Lockton Nurse Advocate, visit calendly.com/d/ck7j-443-2mj or scan the QR code.

Lockton Nurse Advocate

Lockton Nurse Advocate | taylorlna@lockton.com | 833.782.7403

Taylor is committed to helping you stay healthy and has partnered with Lockton Nurse Advocate to provide a supportive benefit to help you understand your current health and support you to improve or maintain your overall health.

Through the voluntary Lockton Nurse Advocate Program, you are provided with a dedicated registered nurse that will:

- Learn about your health and lifestyle.
- Listen to your specific needs and obstacles, and work with you to set goals while supporting you in achieving them.
- Discuss risk factors and best practice medical care.
- Help you effectively use your health insurance plan benefits.
- Inform you about company wellness activities.
- Connect you with appropriate health resources.
- Provide in-network physician information and answer health questions.

Your participation is important! Our nurse advocates are an important resource for helping you live your healthiest life. A nurse may reach out to you, and we encourage you to participate — it could be the most important decision you make.

Information shared between you and your nurse is confidential.

If you would like to schedule a meeting, visit calendly.com/d/ck7j-443-2mj or scan the QR code.

Chronic condition management

Managing chronic conditions is easier with personalized support. Whether you’re dealing with diabetes, joint pain, stress, addiction, or heart health concerns, these no-cost programs offer expert guidance and customized care plans to help you feel your best — on your schedule.

Managing diabetes?

VSP Diabetic Eyecareplus Program

If you have diabetic eye disease, glaucoma or age-related macular degeneration, you can receive:

- A covered-in-full retinal screening (digital imaging of the inside of the eye).
- Additional services that track and monitor diabetic eye disease progression.
- Follow-up medical eye exams deemed necessary by your VSP doctor.
- An additional eye exam with refraction for changes in vision due to diabetes medication(s).

Public benefit advocacy

fedlogicgroup.com | services@fedlogicgroup.com

Employee access code: tayl21 | 877.837.4196

Taylor has partnered with FEDlogic to provide state and federal benefits information and advocacy to you and your household members. The service is confidential, unlimited and provided at no cost to you.

Reasons to call FEDlogic

- You've reached or are approaching Medicare age and need to learn more
- You're approaching retirement age and want to learn more about your Social Security benefits
- You or a household family member has been diagnosed with a major illness
- You have a child with a disability or who was born prematurely
- You have lost a spouse
- You need assistance navigating Medicaid, Marketplace or COBRA
- You need help exploring alternative healthcare avenues based on your income
- You are currently on dialysis (ESRD)
- You need help exploring unemployment benefits

If you are curious if FEDlogic can help you, fill out a form at the QR code here and they will reach out to you if you could benefit.

How FEDlogic works

MAKE A PHONE CONSULTATION APPOINTMENT. Be sure to make the appointment at a time when family members are available to listen and ask questions as well. Calls typically last an hour.

TELL FEDLOGIC YOUR STORY, ASK QUESTIONS AND LEARN. You don't have to go through complex and confusing information to try to figure out what applies to you. They take the time to listen to your story and understand your needs, concerns and goals. Then they empower you with the information you need so you can maximize your benefits and make the best decision for your situation.

ENROLL FOR BENEFITS. Once you feel confident you have the information you need to make the best decision for you and your family, FEDlogic will walk you through the application and approval process.

RELAX AND CELEBRATE. Without education and advocacy, many people don't tap into all the Social Security and Medicare benefits they've paid into during a lifetime of employment. You'll have the peace of mind knowing that you're getting all the benefits you deserve.

Dental plan

Delta Dental of Minnesota | deltadentalmn.org | 800.448.3815

Your dental plan is designed to encourage you to visit the dentist and help ensure your basic dental needs are met in a timely, cost-effective manner.

Since regular checkups and preventive care is key to long-term oral health, the cost of your diagnostic and preventive dental care does not count against your annual maximum.

When you enroll in the dental plan, you may visit any provider in either the Delta Dental Premier or Delta Dental PPO network. If you choose to use an out-of-network dentist, your out-of-pocket cost will be higher because those providers can charge amounts that would otherwise not be accepted by Delta Dental of Minnesota.

Once enrolled, Delta will mail your ID card(s) to your home.

Payment card

The Optum healthcare FSA payment card allows you to get faster access to your FSA dollars. Pay for eligible expenses with your card instead of paying cash.

NOTE: Purchases you make with your FSA payment card may require supporting documentation, so always keep your receipts! Optum will make every effort to electronically verify your card transactions, as required by the IRS. If Optum is not able to verify a transaction, you will receive a letter requesting an itemized receipt or explanation of benefits (EOB). If the required documentation is not received within the stated time period, your card will be suspended. If you are not able to provide appropriate documentation, any unverified card purchases will be reported as taxable income.

Important notes

If you elect to participate in the HSA Plus or HSA medical plan, you will not be eligible to participate in the healthcare flexible spending account. You can still participate in the dependent daycare and/or the commuter program.

Flexible spending account elections must be made every year if you choose to participate. Current year enrollments do not carry over into the following year.

Life insurance

Lincoln Financial Group | lincolffinancial.com | 888.480.0156

All eligible employees are automatically covered by basic life and AD&D (accidental death and dismemberment) insurance at no cost. In addition to your basic life insurance, you have the option to enroll in supplemental coverage for yourself and your eligible family members.

Basic life insurance

The basic life plan includes life and AD&D insurance of one times your salary as of January 1 of the current year, up to \$400,000, at no cost.

Employee supplemental life insurance

Supplemental life and AD&D coverage is paid by you with post-tax dollars.

- Employee supplemental life provides you the ability to increase your coverage by \$10,000 or \$20,000 without proving evidence of insurability (EOI).
- If your increased level of supplemental insurance exceeds \$400,000, then EOI will be required.

Age reduction schedule

Both basic life and supplemental life insurance have an age reduction schedule. As you reach different ages, the total life insurance benefit you would receive is reduced by varying percentage amounts.

Beginning on the January 1 that coincides with or follows your 65th birthday, your life insurance benefit decreases. Your benefit is reduced as follows:

Age	Reduction
65	Reduces to 67% of original amount
70	Reduces to 45% of original amount

Supplemental life insurance bi-weekly payroll contribution

Age	Rate	Age	Rate
Under 25	0.27	50-54	1.12
25-29	0.30	55-59	1.93
30-34	0.38	60-64	2.55
35-39	0.42	65-69	4.62
40-44	0.51	70+	7.44
45-49	0.73		

How to calculate your supplemental life insurance cost

Example: \$100,000	/10,000 =	10 units of coverage	x	Rate for a 30 year old (\$0.38)	=	\$3.80 bi-weekly
Amount elected				Life and AD&D rate above (based on your age on January 1)		Your bi-weekly cost

Spouse and child(ren) life insurance

- Dependent life insurance provides a benefit to you in the case of the death of your spouse or your dependent child(ren).
- You can enroll in spouse life insurance or increase your current coverage amount by one level (\$0-\$5,000 or \$5,000-\$10,000 or \$10,000-\$25,000).
- You can add life insurance for your child(ren) or increase current coverage by one level (\$0-\$5,000 or \$5,000 to \$10,000).

Family member working for Taylor?

Every benefit eligible employee has basic life insurance provided by Taylor, so supplemental spouse coverage is not an option when your spouse is also employed by Taylor in a benefit-eligible position. If you have a child working in a benefit-eligible position, you cannot elect supplemental child life insurance since your child has basic life insurance.

Spouse life insurance bi-weekly payroll contribution

\$5,000	\$10,000	\$25,000
\$0.59	\$1.18	\$2.95

Child life insurance bi-weekly payroll contribution

\$5,000	\$10,000
\$0.76	\$1.52

Disability plans

Lincoln Financial Group | lincolnfinancial.com | 888.480.0156

You become eligible for these benefits on the first of the month that coincides with or follows 180 days of continuous service in an eligible status.

Short-term disability

Short-term disability is provided at no cost to you and provides income protection if you cannot work due to non-work-related illness or injury and includes maternity. Short-term disability begins to pay benefits after you cannot work for seven consecutive calendar days. After seven days, short-term disability will pay 67% of your pre-disability earnings, once approved.

Benefits will continue for up to 90 days following the seven day waiting period, as long as you remain disabled. When short-term disability benefits end, you may be eligible to receive long-term disability benefits.

If you perform work in a state or geography that provides paid medical and/or paid family leave, the statutory program will be the primary benefit provided to you in lieu of Taylor's short-term disability. If you have questions on how this impacts you, contact HR Connect.

Long-term disability

Taylor provides employer-paid core long-term disability coverage for eligible employees and offers an optional employee-paid buy-up plan for additional income protection.

If you become disabled and are unable to work due to illness or injury, LTD coverage provides a monthly benefit after a 90-day elimination period. Benefits continue while you remain disabled, subject to plan provisions.

Long-term disability benefit details

Core long-term disability (employer-paid)	
Monthly benefit amount	50% of monthly earnings
Monthly benefit maximum	\$5,000
Benefits begin	After 90 days
Buy-up long-term disability (employee-paid)	
Monthly benefit amount	60% of monthly earnings
Monthly benefit maximum	\$15,000
Benefits begin	After 90 days
Benefits duration	Social Security normal retirement age

Long-term disability buy-up payroll contribution

Composite rate
\$0.048 per \$100 of covered payroll

Example: An employee with \$150,000 in annual earnings.

Monthly buy-up LTD rate: \$0.048 per \$100 of covered payroll

Monthly covered payroll: \$150,000 annual earnings ÷ 12 months = \$12,500

Buy-up long-term disability monthly eligible benefit amount: \$12,500 × 60% = \$7,500

Monthly long-term disability rate calculation: (\$12,500 ÷ \$100) × \$0.048 = \$6.00 per month

401(k) retirement plan

Fidelity | netbenefits.com | 800.835.5095

Your retirement plan is an important part of your benefits package. It's an excellent way to prepare for your future while enjoying tax benefits along the way. Taylor will match a percentage of your contributions after you complete six months of service.

Automatic enrollment

As a new employee, you are eligible for the plan if you have been hired into a regular position and have attained age 21. If you take no action, you will be automatically enrolled in the plan with a contribution of 5% of your pay. You will receive additional information from Fidelity regarding this enrollment and how you may change this contribution level, either up or down; how to select investments; and name your beneficiary.

There is no need to wait for the 30 days to enroll. After your first week of employment, Fidelity will have your employment details and you will be able to update your enrollment.

Automatic increase

Your contribution rate will auto-increase by 1% annually unless you opt out.

Company match

The company will match 50% of your contributions up to the first 5% of your eligible pay. You become eligible for the match after six months of service from your hire date.

401(k) bonus election

This year, your 401(k) bonus election will appear as part of your Workday open enrollment task, giving you the opportunity to review and update your election, if desired. If you do not make an election, your current 401(k) contribution percentage will also apply to your bonus. You can update your election at any time through netbenefits.com.

PLEASE NOTE: Your election does not indicate that an incentive compensation plan (ICP) bonus has been approved.

What's right for you?

It's your plan, and you're in control of your account.

You can set your contribution rate, pick the investments that you think are best for you, and choose between pre-tax and/or Roth (after-tax) contributions.

Contribution levels

You can contribute up to 80% of your eligible pay subject to IRS dollar limits. If you want to get the full company match, you'll need to contribute at least 5%. Contributing less is like leaving money on the table.

Contribution types

You can choose pre-tax and/or Roth (after tax) contributions in any combination. Pre-tax and Roth contributions have different tax benefits, so one may be more advantageous to you than the other.

Contribution limits

The IRS limits how much you can contribute to a 401(k) plan in any year. For 2026, that limit is set at \$24,500. If you are age 50 or older at the end of the calendar year, you can also make a catch-up contribution of up to \$8,000. The 2027 limit is expected to be announced soon.

Qualifying life events

If you need to add or remove coverage for yourself or your dependents after the enrollment period, you must wait until the next open enrollment period unless you have a qualifying life event as defined by the IRS.

Here are some examples of qualifying life events:

- Birth, legal adoption, or placement for adoption
- Marriage, divorce, or legal separation
- Dependent child reaches age 26
- Spouse or dependent loses or gains coverage elsewhere
- Death of your spouse or dependent child
- Spouse or dependent becomes eligible or ineligible for Medicare/Medicaid or the state children's health insurance program
- Change in residence that changes coverage eligibility
- Court-ordered change
- Spouse's open enrollment that occurs at a different time than yours
- You or your dependents lose coverage under a state Medicaid or children's health insurance program (CHIP)
- You or your dependents become eligible for premium assistance under state Medicaid or CHIP. You must request enrollment within 60 days from the date of the Medicaid/CHIP event.

It is your responsibility to complete a Change Benefit task in Workday or to contact HRConnect for assistance. **The change MUST be completed within 30 days of your life event.**

Questions?

HRConnect is available to answer your questions 877.252.9861 or hrconnect@taylor.com.

Employee eligibility

You are eligible for the following benefits on your date of hire if you are regularly scheduled to work 20 or more hours per week and are classified as a regular employee.

- Medical insurance
- Dental insurance
- Vision insurance
- Basic life insurance
- Supplemental life insurance
- Flexible spending account
- Health savings account
- Employee assistance program
- Wellness
- FEDlogic

On the first day of the month following 180 days in which you are regularly scheduled to work 20 or more hours per week, you are eligible for the following benefits:

- Short-term disability
- Long-term disability

401(k) eligibility

If you are age 21 or older and employed in a regular classification, you will be automatically enrolled in the 401(k) plan.

Eligibility and leave of absence

During an approved leave of absence, benefits may be continued for up to 6 months provided you continue to pay your portion of the required premium for the coverages you have elected. If your continuous leave of absence extends beyond six months, your coverage will end, and COBRA may be offered as applicable.

Dependent eligibility

Generally, the following individuals may be eligible dependents for our benefit plans. The company reserves the right to audit dependent elections.

Spouse

- Legally married for purposes of federal law
- Common law when recognized by the state of residence

Dependent children to age 26

- Natural born
- Adopted
- Stepchildren and/or foster children
- Eligible dependents include adopted children, disabled dependents, dependent grandchildren (who meet the plan's eligibility requirement) and children under legal guardianship. Dependents such as grand/disabled/adopted child(ren) are subject to review/approval by the insurance carrier.

Family members working at Taylor

We are fortunate to have employees who also have family members working within Taylor. As a reminder, employees may be covered as an employee or a dependent, but not both (no double coverage). A few examples:

- **BOTH SPOUSES WORK FOR TAYLOR:** If the employee is enrolled in their own medical, dental or vision coverage, they cannot be covered as a dependent on their spouse's plan. Children may be covered by one parent, but not by both parents.
- **BOTH SPOUSES (OR A CHILD) WORK FOR TAYLOR:** Every benefit eligible employee has basic life insurance provided by Taylor, so supplemental spouse coverage is not an option when your spouse is also employed by Taylor in a benefit eligible position. If you have a child working in a benefit eligible position, you cannot elect supplemental child life insurance since your child has basic life insurance.

Help and support

You have many options for help and support when it comes to benefits. Use this page to find the support you need. Remember, HRConnect should be your first stop regarding general enrollment and eligibility questions.
